

## Midvale Hub

We are here to assist children and families to grow, learn and thrive.

For more than 30 years, our Hub team has helped children and families in our local community to develop well and to gain skills for success at school and in life.

Together we can improve the health and wellbeing, education and care of your family. The Midvale Hub offers a variety of programs and services to support families to nurture happy, healthy children.

Whatever your needs are, our Hub team can link you with an appropriate program or service. Many of them free of charge for families.

### Other Hub Services available

**Adult Education:** At Midvale Hub we are committed to life-long learning. We provide a range of playgroups and parenting programs for all parents and caregivers. Adult education opportunities are also on offer for you to develop skills and upgrade educational qualifications.

**Child Care:** 3 and 4 year old Kindy Programs, Before and After School Care, Family Day Care, and Vacation Care options available.

**Health Services:** Free health and medical services are available at Midvale, Middle Swan and Clayton View. We have fully equipped medical clinics and a range of health professionals provide services throughout the week (ask for a current timetable at Reception).

**Family Support:** We are here to support you in your parenting journey, let us know if you have a need and if we cannot assist directly we can link you to a local service that can help.

## Outside School Hours Care

### Before and After School Care at Midvale, Middle Swan and Clayton View

The Midvale Hub provides Before and After School Care options to assist families with care needs for primary school aged children (including Kindy and Pre-Primary students). We deliver children to school in the morning and provide a pick-up service from a variety of schools at the end of the school day.

### School age recreation and activity programs

Our OSHC team is made up of dedicated, professional Educators and Teachers who provide dynamic programs with a balanced mix of creative, sporting, recreational and educational activities. Homework and reading support is also provided.

Midvale Hub OSHC has been rated and assessed as Exceeding National Quality Standard, so you can be confident that your child will receive high quality care and learning opportunities whilst attending Midvale Hub OSHC programs.

### Before and after school care locations

We provide Outside School Hours Care at the following locations – Midvale Primary School, Midvale Early Childhood and Parenting Centre, Child and Parent Centre – Swan (Middle Swan and Clayton View).

### Breakfast Clubs

Breakfast Clubs are provided at Before School Care to ensure that each child has nutritious food to fuel learning throughout the day.

### Our Curriculum – *My Time, Our Place*

Throughout the four school terms the OSHC program supports school aged children with a seamless transition between school and care. A balance program caters for the needs of individual children, whilst establishing a strong sense of community in the group. The children are active participants in the program planning and implementation. We ensure that the 'child's voice' is central to the program.

All OSHC programs are underpinned by educational theory and contemporary research and follow the Framework for School Age Care in Australia – *My Time, Our Place* which is part of the National Quality Framework.

### Parent and Family Involvement

Parents, caregivers and family members are all welcome at Midvale Hub OSHC programs and we encourage active involvement in the Before and After School program when possible. Family input in the programming and planning is highly valued to link home life to the OSHC program.
